In this seminar, Attorney Brian Snure will provide attendees with the necessary information to comply with the laws governing public bidding, public works, and the buying and selling of services, equipment, materials and supplies by fire districts and RFAs. Specific Topics covered will include: Public Works Statutory Requirements, Prevailing Wages, Retained Percentages, Contracting Strategies, Equipment Purchases, Procurement Policies, Intergovernmental Purchases (aka piggyback purchases), Selling surplus property and equipment.

#### About the Presenter:

Brian Snure is a sole practitioner operating as Snure Law Office, PSC located in Des Moines, Washington. The firm was founded by Clark Snure in 1964 and has provided professional, efficient and economical legal representation to municipal clients throughout the State of Washington for over 55 years. Our municipal clients range in size from small volunteer fire districts located in rural areas to large urban districts and regional fire authorities. Although our offices are located in Des Moines we currently represent over 100 municipal clients throughout western and eastern Washington.

Brian Snure has represented fire protection districts, regional fire authorities and other special purpose districts including water districts, sewer districts, metropolitan park districts and cemetery districts for over twenty-six years. Brian also maintains a limited general practice emphasizing estate planning, probate and real estate. He has authored or co-authored numerous handbooks relating to fire districts and departments and has spoken at numerous Continuing Legal Education courses on a wide variety of issues affecting municipal governments. Brian frequently serves as a lecturer at seminars presented by the Washington Fire Commissioners Association, the Washington State Sewer and Water Association and presents the Snure Seminars annual series of seminars. Brian regularly conducts training for both management and personnel on a local and regional basis covering a wide range of topics affecting the operations of municipal corporations. Brian is a Past President and current board member of the Rotary Club of Des Moines and Normandy Park, serves as a Board Member for Highline Music4Life, the Des Moines Dollars For Scholars Community Scholarship Foundation, and previously served on the Board of the Des Moines Food Bank and the Des Moines Chamber of Commerce. Brian received a B.A. and M.A. from the University of Washington in History and received his Juris Doctor degree from the University of Washington Law School where he served on the editorial board of the Washington Law Review.
